

PROCLAMATION

Public Power Week

October 4 – 10, 2009

Whereas, we, the citizens of the City of Colton, place high value on local control over community services and therefore have chosen to operate a community-owned, locally controlled, not-for-profit electric utility and, as consumers and owners of our electric utility, have a direct say in utility operations and policies; and

Whereas, Colton Electric Utility provides our homes, businesses, social services, and local government agencies with reliable, efficient, and cost-effective electricity employing sound business practices designed to ensure the best possible service at not-for-profit rates; and

Whereas, Colton Electric Utility is a valuable community asset that contributes substantially to the well-being of local citizens through energy efficiency, customer services, environmental protection, economic development and safety awareness; and

Whereas, Colton Electric Utility is a dependable and trustworthy institution whose local operation provides many consumer protections and continues to make our community a better place in which to live and work; and

Whereas, Colton Electric Utility will continue to work to bring lower-cost, safe and reliable electricity to community homes and businesses—just as it has since 1895, the year when Colton Electric Utility was created to serve the citizens of Colton.

Now, Therefore, I Kelly J. Chastain, Mayor of the City of Colton, along with my fellow Council Members, do hereby proclaim the week of October 4 – 10, 2009, as the 23rd Annual Public Power Week, and urge all citizens to recognize Colton Electric Utility for its progressive and innovative efforts of providing cost-efficient public power services that continue to enhance the quality of life for all citizens of this community and beyond.

In Witness Whereof, I have hereunto set my hand and cause the seal of the City of Colton to be affixed this 6th day of October 2009.
